Re: 2015 Budget Proposal

Dear Members of County Council:

With this letter, we respectfully submit the administration's 2015 County of Erie budget proposal. The administration has received budget requests from all elected officials and department heads for the upcoming year, and has met with each department to carefully discuss and analyze their requests. We appreciate the dedication of our public servants and applaud their commitment to provide efficient and effective quality services to the citizens of Erie County.

The budget that we are presenting today is one that reflects our projections for five years, and will allow us to make decisions that are both prudent and visionary going forward. It is time we stop taking a reactive approach to our budget, and address our financial situation in a proactive and responsible manner.

As with any budget, we have reviewed both revenue and expenses. Our revenue picture is not encouraging - it has been flat for the last five years. Our region has not grown, our population is stagnant and our property values are steady at best. In the meantime, expenses, wages, utilities, and cost of goods have increased. Additionally, state grants and reimbursements are down. We have a structural deficit, which is an unsustainable model that we can no longer ignore.

Since I took office in January, we have been aggressive in trimming expenses. I have brought new directors in at salaries far below what was budgeted by the previous administration. We initiated the practice of getting three quotes on items valued over $100 in the IT Department; consequently, we have saved over $150,000. We have reduced wages and fringes by $3.7M in 2014 through various cost saving measures.

My administration and I are committed to working more efficiently to reduce spending for the long term; however, we cannot solely rely on spending cuts to resolve this

structural imbalance. We must also increase revenue by increasing property values and the tax base; by growing the Erie County economy and creating a more prosperous community. This is not an easy task – it will take all of us working together. This will not happen this year or next; it is a long term project.

In the short term, we must responsibly deal with today's deficit. We assumed a $1.7M deficit from the 2014 budget – a deficit that is an ongoing expense, which now translates to $1.9M in 2015 dollars. We must deal with Pleasant Ridge Manor East closing next year, and an expected deficit of $1.7M due to the costs of winding down the facility. We have a state budget that has cut funding in many areas, including public safety, health, and library services. All of these add up to place us over $3M in the red.

Over the last two months, my team and I have worked many hours to move forward a fiscally sound budget that solves this short term problem. We recognize the immediate need to increase revenue. Due to the lack of revenue and increased costs to maintain existing services to Erie County, this budget proposal calls for an increase in county taxes of .35 mills. The revenue generated from this increase is approximately $4,647,711 or $46 per year on each $100,000 property. Please keep in mind that taxes have not been increased since 2010.

This proposed budget allows us to build on the long term solution of growing our economy, creating jobs and opportunities for all of us. I am optimistic about Erie County. I believe we can, and that we will, grow our region. We will do it while being fiscally responsible, serving all our citizens in an efficient and professional manner, knowing that every tax dollar you give us is our responsibility to use wisely and conservatively.

As you begin your review of this budget proposal, we pledge our assistance and support. Every effort will be made to communicate more current information as it becomes available to ensure you receive an accurate view of county government's fiscal status. The Finance Department and all other departments of county government will be available to answer any questions or concerns you may have during the budget process.

Together we can create a realistic budget that minimizes property taxes and provides efficient and effective quality services to the citizens of Erie County.

Sincerely,

Kathy Dahlkemper

Used for sending notices to voters:

registration
removal
change in polling places
changes in voter status
absentee ballots*
*absentee postage has gone up by $1.90 per ballot due to the use of larger envelopes which allow for less folding of ballots. Folds in the ballot cause our electronic reading machine to kick out ballots uncounted, jam or slow down. This practice was begun in 2013. It resulted in a notable increase in the speed and efficiency of our counting machine.

Notes: Internal batteries are starting to fail causing problems on election day. They are now 7 years old. It would be prudent to change them now. The price below includes a total machine exam and cleaning. The cost of changing the batteries alone is $72,450. It is worth noting that I applied for and we received HAVA reimbursements of $1.59 Million since 2006. This covered the cost of the machines, software, accessories and various other costs since 2006.

PM price w/ replacing batteries
Or $2560.00 first day $1760.00 additional days. Should take 8 to 10 days X 2 techs but it depends on how the units are stored and space to work on plus 65.00 each unit for the battery
If it takes 10 days (max) $36,800.00 labor
Plus Battery charge (630 x $65) = $40,950
= $77,750 (max) $70,710 (8 days min)

Battery replacement only
630 units X $115.00 = $72,450

Notes: In order to fulfill the Controller's Office's Duties and responsibilities as defined in the Home Rule Charter, the Administrative Code,Pennsylvania State Act #1982-76 and Act 96, we respectfully request an additional auditor position to return the staff to its previous complement of 5 members. Our audits result in the recovery of County monies, implementation of new controls, and improved existing control systems resulting in budget savings to the County and its taxpayers. An adequately staffed and funded Controller's Office reflects positively on the Administration's and Council's commitment to transparency and accountability. The comparison of the Controller's Office staffing of PA Counties under Home Rule Charters with similar population size are as follows: Erie 4, Northampton 6, Lackawanna 9, Lehigh 6.

The Controller's Office is requesting additional funds of $1,335 to reclassify the C-III Fiscal Techician to an A-I Administrative Assistant. This reclassification is needed to ensure the pay classification reflects the responsibilities of the position.

The Controller's Office is also requesting additional funds of $2,708 to cover the cost of moving the staff to 40 hours per week during February and March in order to complete the Annual Controller's Report in addition to other ongoing audits .

Notes:I am planning on a necessary software upgrade to the phone system. This will cost the Courthouse/Operations $49,877.88 plus our PASS renewal contract with Ronco which is approximately $26,000.00. Also, the CallPilot voicemail server is running Windows 2003 server which is going end of support by July 2015; therefore, forcing me to upgrade to a new server. The quote I received on this is $28,522.79 for Courthouse/Operations. Our maintenance agreement with Ronco costs approximately $36,000/year. Mobile Device Management licenses for user to get their email on their smart phones costs approximately $8,500. This totals $149.000. I ask for $155,000 due to the fact of any additional costs that have not been factored in such as phone lines being moved, etc.

Notes:Based on projected annual cost of Westlaw online research system used by the library, the judges and law clerks. The use of Westlaw has reduced the need to keep certain types of print legal sources resulting in substantial cost savings. Near the end of this year, the library will be entering into the third year of its present three-year contract. An increase of five percent (5%) will take effect in October 2014 and continue through September 2015, with a new contract to be negotiated at that time and with an expected increase of five percent (5%).

Line: 001-003030-003010 - BOOKS AND SUBSCRIPTIONS

Notes:Budget request is intended to help cover a six percent (6 %) increase for a Library Maintenance Agreement (LMA) entered with the West Publishing Group, the major vendor for the law library's and the judge's subscriptions. The LMA had been signed in order to lock-in a fixed annual increase in the existing subscriptions over a three-year period. The third period of the present contract will be expiring at the end of March 2015. The expected increase will be applied to our monthly invoices beginning with the April 2015 invoice and will continue through March 2016. The LMA program has resulted in significant savings on needed print titles or subscriptions. Without the LMA, the supplementation cost increases would be in the double digits. Other publishers will be increasing subscriptions costs next year for their titles or publications, as well. It is important to note that the largest portion of the book budget goes toward the supplementation or upkeep costs for the existing legal research materials maintained by the law library and the individual judge's libraries. Almost every library purchase requires not only the initial outlay, but also annual or more frequent supplementation to keep the titles current with the changes in the law. New acquisitions are purchased on a very limited basis and generally reflect Pennsylvania-specific legal resources.

Equipment	Term	Cost
Dell PowerEdge R510	thru EoL*	$1569
tape drive for above	thru EoL*	$2201
Dell PowerEdge R710	thru EoL*	$2028
	Total	$5828

* EoL – End of Life (Dell does not offer maintenance/support contracts on servers over seven (7) years old)

The Dell PowerEdge R510 and associated tape drive are used by the ROW offices for scanning and reviewing images from the Infocon system. PCs supporting Infocon and RVI (Real Vision) software access scanned images from this server. Rather than break out the cost for each department, the Court Computer Bureau is requesting the total amount in its budget.

The Dell PowerEdge R710 is used by the District Attorney, Register of Wills, Jury Coordinator, and for dictation backup for the judges. Rather than break out the cost for each department, the Court Computer Bureau is requesting the total amount in its budget.

Billable calls not covered by warranty or a maintenance/support contract – Rather than purchase maintenance contracts on servers that will be virtualized, the Court Computer Bureau is requesting the equivalent of one year of maintenance to be used if repairs are needed on any non-covered servers (pending virtualization).
$1500

The Court Computer Bureau has six (6) servers running Microsoft Windows Server 2003. Microsoft support for the Server 2003 operating system ends 07/14/2015. (The situation is analogous to what just occurred with Windows XP.) After July 14, 2015, Microsoft will no longer supply patches, fixes, or security updates for the Server 2003 platform. Without security updates, Server 2003 will

Report	**Template Notes**
Scenario	**2015 ADMIN PROPOSAL**
Entity	**001-003040 - COURTS COMPUTER**
Template	**Dept Request 100**

become vulnerable to hacker exploits. In an effort to control costs and mitigate the risks, the Court Computer Bureau is requesting the necessary funds to convert an existing server to a virtual host and virtualize the systems running Server 2003. As noted earlier, this is similar to the situation that occurred when Microsoft Windows XP reached its EoL (End of Life). Microsoft dropped support on Windows XP and forced users to upgrade/migrate to Windows 7/ Windows 8.

The following departments use the affected servers - Clerk of Records, Clerk of Courts, Prothonotary, Recorder of Deeds, Register of Wills, Marriage Bureau, Adult Probation, Juvenile Probation, District Attorney, Sheriff, Court Administration, Court Computer Bureau, Law Library, Jury, Protection from Abuse, Records Management, Custody, Court Room Audio Recording and Judges' Dictation.

The Server 2003 EoL issue is County wide. You will see similar requests from other departments. Please see the Virtualization_Proposal_VELQ21588_20140821 attachment for a complete breakdown of costs.

In 2014, we received a state grant for a one-time reimbursement for our duress alarms that the state would no longer fund. In 6 of our MDJ offices, we were able to purchase updated phone systems that will support updates in technology - an expense totalling $31, 065. The request for 2015 is for 7 of our MDJ offices to recieve these updated phone systems at an approximate cost of $5500/office (totalling $38,500.00) as they will no longer have the benefit of the state funded duress alarms . The remaining $28,700 of the budget request is the estimated usage cost for all 15 offices.

2014 Actual Maint. Ks are attached. These costs are projected to increase for 2015 under new Ks. Additional expenses for this line item projected for 2015 are estimated at $4000.00 - these include monthly trash removal from MDJ Stuck Lewis, Bed Bug spraying for MDJ Urbaniak's office, misc. security maintenance and misc office repairs for each of the 15 MDJ offices.
In 2013-2014 we had extensive repair costs for MDJ Urbaniak's office due to water damage.
We need to allocate some funds for unforeseen circumstances = $2000.00
Actual projected expenses = $10,000
Totalling the request noted above =$12,000.00

Notes:Budget Request = $16,000.00
Budget request this year is $16,000.00. Stockroom supplies include all office supplies such as pens, paper, files, file boxes, et al. In years past, this figure was roughly $15,0000.00, which allocates about $1000.00/MDJ office (15 offices). This is a very low figure for each office. A $1000 increase would allow for CPI increase as well as an overall increase in each office of less than $100 per office.

This line item includes the 1) printing for stationary and envelopes for each offies = approx. $10,0000. 2) All notary expenses at approx $280/office * 15 = $4200.00. 3) Linen laser checks per state mandate at approx $300*15 = $4500.00. 4) Misc offices supplies on an *as needed basis (which includes unexpected costs amongst 15 offices). There are 2 offices in need of furniture this year: MDJ Krahe is in desparate need of chairs for the public in the main area of his office as the chairs that are currently in use are falling apart and have been welded together in the past. MDJ Lefaiver (vacant office due to retirement) is still open to the public and is in need of chairs for the public as well as 3 secretarial desks that will fit properly under the glass partition installed in 2014. Each of our 15 offices office is in need of mats/rugs for the public in inclement weather to keep the main foot traffic areas dry. Without these upgrades, these offices increase their liability when it come to the safety of the public and staff.

Notes:The fee increases are derived as follows:
$40,000 for implementing new expungement petition filing fees.
$15,000 for implementing new poundage costs on all cash bail. Poundage has never been assessed in Erie County for bail bonds. Research reveals that more than 40 counties currently charge poundage. This new fee is an attempt to compensate for lack of court driven bond forfeitures.
BOTH OF THESE NEW FEES ARE CONTINGENT ON THE CLERK OF COURTS POSITIONS RECEIVING UPGRADES PER PATRICK FETZNER

Notes:I respectfully submit a salary increase for Chief Deputy Jon Habursky who is responsible for all administrative, training schedules, accounts payable and, equipment issues for the Erie County Sheriffs' Office. Chief Habursky's salary is currently set at $49,000 annually and in his position as an administrator with five years experience I feel he has earned an increase of $3,000 annually.
Sincerely,
John T. Loomis
Sheriff

Line: "001020 - BARGAINING WAGES

Notes:This Sheriffs' Office is requesting the hiring of FOUR (4) additional deputy sheriffs Grade 115. The reasoning is due to the safety issue that has been an on-going problem, and never addressed. The housing of prisoners is an extreme safety issue for both prisoners and staff. Additionally we have experienced several emergency medical events in this area, which is a confined area. We have taken precautionary steps and have removed all the metal shelving, seats etc. which would inflict injury to prisoners and/or staff. We believe this to be an extreme liabilty for litigation to the Sheriffs Office and the County of Erie. We feel it is imperative to increase staffing in this area from two to three deputies assigned to this area on a daily basisfor obvious safety reasons. Since 2012 the number of prisoners transported annually for various proceedings has increased.
Also the security staff has been cut in the past years and never replaced. The additional deputy sheriffs will also enhance courthouse security. This addition would obviously reduce overtime costs and part-time employee costs.
It is our position if council rejects this proposal the Sheriffs' Office will seek only FOUR (4) deputy sheriffs Grade 115 entry level deputies to address the above issue mentioned regarding the prisoner holding area.

Line: 001-003400-002010 - TRAVEL - WORK REQUIRED

Notes:This line item is used for mileage and gas for detective vehicles. While all efforts are made to keep these to a minimum, the price of gas fluctuates greatly throughout the year.

Line: 001-003400-002390 - VEHICLE MAINTENANCE

Notes:This line item is used for maintenance on detective vehicles. In the past, repairs were paid out of drug forfeiture account. We have a few vehicles that are not forfeited vehicle and should not be paid out of the forfeiture account. We need to have a line item and funds in that line item to repair and maintain detective vehicles.

Notes:Copier lease requires payment per page over the alloted contractual figure. The payment for the excess copies has averaged $125.00 per month. Due to the increase case load, appellate briefs, and the need for colored copies of photographs for trial purposes we are requesting the additional money in anticipation of excess copies for 2015.

Notes:At the time of budget submission on August 25, 2014 this office spent half of the 2014 budget in this line item. We anticipate hiring at least three experts to evaluate a shaken baby case and two sexual assault cases. It is believed that these experts will exhaust the rest of the budget. Further interpretation fees have risen since utilizing an interpretation service which is registered with and going through the certification process required by the Administrative Office of Pennsylvania Courts.

Line: 001-003600-003010 - BOOKS AND SUBSCRIPTIONS

Notes:Provide each full time attorney a Crimes Code Book which contains the Crimes Code, the Vehicle Code and the Drug and Cosmetic Act.. These books do not contain all of the Rules of Court (including updates) which the attorney is required to know for effective representation. One book containing all of the rules and it's supplement needs to be purchaed for office use to assist the attorneys in case preparation. In the calender year 2014 $1047.50 was the actual cost, a transfer was required to supplement the appropriated funds.

Notes:The overtime line supports our Community Service Work Crew staff member. Some work crews are only able to be done after hours and on weekends. Other professional staff members also accrue overtime hours. As of week ending 08/09/14, the total number of overtime hours accrued by the Work Crew Leader and professional staff members was 438.0 hrs. for a total of $13,160.73. Predicting what is needed for the remainder of 2014: Average of 63 hrs. per mo. x 5 mos. = 315.0 hrs. times the overtime rate average from the highest rate employee to the lowest rate employee assigned to work crews = $36.16 = $11,390.40. Total predictions for 2014 is $24,551.13. Predicting a 3% wage increase for 2015 would increase that overtime rate average to $37.25 x 750 hrs. = $27,937.50.
This line also covers the on-call after-hours beeper pay. This is mandated by the State and is required for all probation officers throughout the Commonwealth. As of pay period ending 08/16/14, $30,565.57 was paid out. We anticipate an additional $17,965.63 to cover through 2014. This amount is based on the average figures from the previous thee years (2011, 2012 and 2013). These previous years averaged a total paid of $48,531.20.

Notes:Registrations for trainings are charged to this line. The Pennsylvania Board of Probation and Parole, as a condition of Grant-In-Aid funding, mandates us to provide 40 hrs. of training per professional staff and 20 hrs. of training per non-professional staff on an annual basis. The department has 71 employees. The department makes every effort to provide internal training utilizing our in-house trainers.
The Probation Department is mandated to follow and adhere to the County Probation and Parole Officers' Firearm Education and Training Commission in order to provide uniform firearms training for county probation officers.
There is a rental use of Gem City at a fee of $10.00 per head per day. Firearm qualifications take place three times per year. We have 43 firearm carrying officers. 43 officers x $10.00 x three trainings per year = $1,290.00. Additional funds are needed for the instructors because each training is divided into multiple days due to the number of officers that can qualify at one time. We have three instructors and each will be training 2 to 4 times each qualification. Three instructors x $10.00 x three qualifications = $90.00 x three days each = $270.00 A total of $1,560.00 is needed for firearms qualifications alone.
Our three firearms instructors are mandated to attend trainings. The NRA mandates 24 hours of instructor-level training every three years or we lose certification. It is also highly recommended that our force response instructor attend training on a regular basis to lessen the chance of liability and remain current on policies, procedures, tactics, skills, etc.

This helps Erie County stay abreast of Juvenile Court legislation and insures that we remain in compliance with and involved in decisions regarding Juvenile Court at the state-wide level. We are requesting an increase due to a supervisor being involved in a Statewide Probation Officer Safety committee that meets a couple times a year in State College, Pa. .

Line: 001-004230-003140 - CLOTHING & SAFETY SUPPLIES

Notes:Based on replenishment of safety equipment per ECAPE Contract for four (4) Probation Officers at $350 each = $1,400. This includes bullet proof vests, which have a limited shelf life, as well as jackets and radios. This is not only a contractual issue with the Union, but an issue of safety for those Probation Officers that work the streets.

The County pays for the test upfront and then DRS bills the state and we receive 66% reimbursement. The number of paternity cases have been declining since 2011 when we had 1,020 actions to 2013 when we had 516 actions. Also, child support must be paid first before any fee is pay, this is according to the Federal Hierarchy of Payments.

Notes:I am requesting two positions be added for 2015--an M-I and a Librarian (210 AP). The Library plans to expand technology services at the Blasco Library. In accordance to local need, we are seeking to convert most of the second floor into a Technology Center. This Technology Center will consist of three main components:

o A large public computer lab

o An educational component that promotes creativity in multiple ways, and across generations. This component will extensively utilize partnerships and collaboration.

o A business component—encouraging economic, entrepreneurial and small business development in our region. This component will extensively utilize community partnerships and collaboration.

We have already received approval from the Deputy Commissioner of Office of Commonwealth Libraries in Harrisburg for this pilot project. She is willing to work with us in limiting, as far as possible, the County's investment in extraneous services and expenditures (involving among other things the 12% collection mandate, and the standard regarding local financial effort). These positions should NOT be included as part of the 12% collections standard.

It is imperative for the Library to have these two positions, in order to be able to provide this important service, and to meet the needs of the Erie citizens.

· The Library currently serves approximately 800,000 users annually, in five separate facilities, which are open six or seven days a week, most days for two shifts.

· The Library FTE's have dropped substantially—by 30%--over the past several years. That is too low to be able to maintain the current schedule of operations.

· The Library has lost fully 50% of its front-line managerial positions over the past 10-12 years. Given the number of incidents requiring police or emergency personnel at the Blasco Library alone, it is imperative that we have at least one manager on-duty for all hours that the Library is open. This manager will also be expected to handle issues at the branches and Bookmobile, as are ALL current manager and administrative positions within the Library.

Please note: While Management and Administrative positions are located within the Main Library budget, the use of them is a shared and collaborative process. Given the size of Library operations, there are approximately two positions overseeing Branches at any given time, out of necessity.

Re-classify Library A-II position, # 017100-017110-002, to an A-III

This position has been classed improperly for many years. The person in this position has always had to function on an upper administrative level, due in large part to the lack of managers and administrators. Duties done routinely by the Executive Assistant that are not in the written job description are:

· Develops strategies for the coordination and facilitation of County Library services, including the Blasco Library, and its branch outlets.

· Participates as part of the Library Administrative team in long-range planning and analysis of library facilities, operations and services.

· Works closely with Library Executive Director and District Services Consultant to assure compliance with State standards for Library operations. Communicates same to State officials.

· Handles confidential transactions involving public library records, according to Pennsylvania statute

· Assures compliance of labor agreement involving Sunday equalization of hours; maintains all records involving the same.

· Assists with recruitment and training of new employees

· Interprets language of Library policies and labor agreements. Participates in writing the same.

Notes:The Library is requesting two positions be added for 2015--an M-I and a Librarian. We are seeking to add these two positions for several reasons. o An educational component that promotes creativity in multiple ways, and across generations. This component will extensively utilize partnerships and collaboration.

Line: "001040 - TEMPORARY STAFF

Notes:The amount requested represents two needs:
First, the shift relief factor at the Library. I am projecting that we will spend over $12,000 this year. I estimate the amount needed in 2015 to be $16,000. The average age of staff is 52.5 years. The average years of service is correspondingly high, which means that the overall amount of leave time earned and accumulated is also high. The Library averages at least two staff on long term sick leave at any given time. That combined with regular sick time taken, plus vacation and personal leaves, means that it is difficult, if not impossible to manage public services schedules. The Library only calls in staff (usually part timers or per diems) for extra hours when we are unable to cover hours of operation for the public. The extra part timer hours or per diem hours are marginal, in comparison to the leave hours taken by permanent staff. Temporary, or per diem coverage, (minimum wage and no benefits) is the most economical way for the County to maintain library operations for the public.
I am requesting the remaining $24,000 in the temporary staff line to bring the branch hours of operation up to a better minimum standard. Right now three branches are open very limited hours on Fridays and Saturdays (12-4 p.m.) The Edinboro Branch is only open for one shift the remaining four days of the week, and only one evening. The Library is contractually permitted to use per diem help to 1) cover for staff leave time taken, and 2) cover for evening and weekend hours of operation. This funding will bring all of the branches up to the same schedule: Mondays and Tuesdays 9 a.m.- 8 p.m.; Weds through Saturday 9 a.m. - 5 p.m.
** While temporary staff ARE also used to maintain Branch operations, the scheduling is done centrally, which allows managers to better limit unnecessary usage. Temporary staff expenditures are all charged to the Main bureau for this reason.

Vacant half time IT position # 002810-015, Grade 208: Change to Full-time.

This position is currently vacant and is covered by the Shared Cost budget line, 054-01700-002890. IT services are not only something needed by Library staff in order to do their jobs; it is a direct public service provided by the Library. We have more than 100,000 visitors utilizing public access computers on an annual basis. Public demand is particularly strong in the areas of resume assistance, software, hardware and website instruction, online forms and applications, and online testing.

Additionally, in view of the current proposal to expand Library technology services, it is certain that demand for IT assistance will only continue to increase.

I am proposing to make this position full time as of 2015, and to post the vacant position at that time, designating at least half of the duties of this position to be working with the general public, and assisting with the tasks listed above.

The accepted technology replacement rate in business is 20%. With more than 110,000 public access computer logins alone annually, technology is a large part of the service that the Library provides directly to the public. I am projecting that technology service to grow dramatically over the next three years. Over the past three years, the Library has consistently overspent this line by 50-75%, due to the high cost of computer peripherals and supplies. Even at that, we have only been able to achieve a technology replacement rate of--at most-- 12%. And that figure primarily consists of replacing outdated PCs. It does not begin to take into account the need for replacing outdated servers, for example. The Library has six servers, only one of which is still covered by warranty through the end of this year. Server replacements are estimated to cost between $3,000 and $6,000 each, depending on the specifications required. The figure I have given under departmental request would allow us to begin to get on track for a reasonable technology replacement rate. Furthermore, this can be considered an investment into the Blasco Technology Center--something that is both worthwhile and able to be deducted from the State 12% collection mandate.

Notes:2014: PHP Manager retired at the beginning of March. Position name and grade were changed to PHP Coordinator P-III. Successful bidder started 9/2/2014 at pay rate of $20.94. Communicable Nurse Supervisor (position # 056-018020-004) also added to PHP budget at 40% of wage being paid by grant effective 7/1/2014. Fringes for this position however will not be covered by the grant, so 40% of the fringes for position #056-018020-004 will be covered in kind by the County of Erie.
2015: Full staff including 40% wages for a Communicable Nurse Supervisor (position #056-018020-004). However, 40% of the fringes for this job position is not billable to the PHP Grant. So 40% of the fringe for position #056-018020-004 will be covered half by the County of Erie and half by ACT 315.

Notes:The Non-Reimbursable Computer Supplies line item has been increased from $81,802 to $227,858. The planned expenditures for 2015 include the following purchases, which are not eligible under Act 56: SOP software for the PSAP ($4,530); one-third of the cost for an information monitor for the reception area (EMA and Hazmat to each pay one-third) ($310); Mobilcom hardware for a Radio Channel Upgrade ($2,492); 13 Catalyst workstations ($28,776); 28 monitors ($4,850); and 4 Catalyst spare power supplies for servers ($992). Because there are currently 55 Catalyst servers that have been running 24/7 since 2008, with an expected life span of 3 to 5 years, and also because the Microsoft operating system for these servers will be discontinued and no longer supported in 2015, all of them will have to be replaced in 2015 ($174,405). The additional planned expenditures for 2015 include the following shared cost purchases (26.35%): a new projector and portable screen for public education ($252); a new 911 simulator for public education ($601); spare redundant switches ($1,395); 7 CAD workstations ($4,806); 34 Monitors ($1,552); Video Back-Up (Quad Card) Cables for CAD workstations ($119); 4 Video Cards for CAD ($274); and miscellaneous supplies, such as toner, repair services, flash drives, and mapping paper ($2,504).

PLEASANT RIDGE MANOR
2015 BUDGET ASSUMPTIONS

Room & Board Revenue Assumptions

A) **Number of Beds** – Beds remain at 388 through 6/30/2015. Effective 7/01/2015 PRM West will operate 300 beds. The budget was prepared under the assumption of consolidating the two facilities as of June 30, 2015.

B) Percent of Occupancy – PRM's Budget projects an average daily census of 345 residents through April 30, 2015; 335 residents during May and June, 2015; and 290 from July 1st through the end of the year. Based on this information, the 2015 average daily census will be 315 residents with an occupancy rate of 91.8%.

Should census projections not be realized, the affect may have a dramatic impact on the budget revenues. The revenues collected for one (1) additional resident per year is roughly $100,000. The opposite is also true; that is, one (1) less resident per day results is an annual loss of $100,000.

C) **Payer Class Mix** – These statistics have been determined by analyzing past and present experience and information presented in A & B above.

	Payer Class %	2015 Projected Days
Private/Other Payers	12.0	13,823
Medicare	4.2	4,838
Medical Assistance	83.1	95,728
M.A. Hospital Days	.7	806
Total	100%	115,195

D) **Room & Board Charges** – Private Room & Board charges are projected at $290/day as of 1/01/2015 and $292/day as of 7/01/2015. The current charge per day is $286. This represents a 1.3% at January 1st and an additional 2.1% at July 1st increases that are needed to assure no problems with the lower of cost or charge ceiling adjustment.

E) **Third Party Reimbursement** – The impact of the Department of Public Welfare's (DPW) reimbursement changes is crucial to the accuracy of these projections. In the past, PRM's payment rate was adjusted quarterly based on the case-mix index (CMI). Effective 7/01/2006, DPW developed new reimbursement regulations "carving out" County facilities and creating a separate County payment methodology revising the rate *only* each July 1st.

The Commonwealth's 2014/ 2015 budget provides a 1.7% increase in MA rates effective 7/01/2014. An additional 1.0% increase is projected as of 7/01/2015.

MDOI (MA Day One Incentive), which replaced the IGT and Global settlement, is scheduled through 6/30/2015. The Assessment will continue indefinitely. The budget projects $9.14 per day through 6/30/2015 and $8.23 per day for the remainder of the year (MDOI & Assessment). For the period July 1, 2013 through June 30, 2014, PRM's rate was $10.16/ day. PRM has budgeted for a P4P (Pay-for-Performance) payment in the amount of $2 per MA 2015 days. In addition, PRM has also budgeted approximately $49,000 for Disproportionate Share due to overall occupancy at 91.8%.

Under the Medicare Prospective Payment System (PPS), PRM is no longer reimbursed its costs through retrospective cost reporting; rather, PRM is reimbursed prospectively based on several specific capped limits which groups PRM in classifications with nursing facilities across the nation. Reimbursement is made based on the resident's actual RUG's category (Resource Utilization Group). No significant impact is projected due to CMS' increased scrutiny of facilities "gaming" the system.

Any deviation between the projected and the actual revenues can skew the budget dramatically.

Other Revenue Assumptions

Ancillary Revenue – Pharmacy, Dentistry, and Physical, Occupational, Speech and IV Therapy revenues have been projected based on current utilization, a review of historical data and projected trends.

Non-Resident Revenue/Non-Operating Revenue – Amounts have been reviewed and annualized when applicable. Interest figures reflect an estimate on projected fund balances.

Edmund L. Thomas (ELT) Center Revenue – Food & laundry distribution and the associated ELT revenue is expected to cease as of 6/30/2015.

Millcreek Manor Sale of Licenses' Revenue – The budget anticipates the sale of licenses at 6/30/215. By contract, the payment from Millcreek Manor will be made 30 days from the date of transfer at $24,000 per license or $2,112,000. The majority of this revenue will be used to repay the County for capital improvement loans received during 2013 & 2014. See

Section VII of the budget for more information concerning the projected loan balance and the capital projects.

Operating Expense Assumptions

Wages – The current Bargaining contract expires 12/31/2014. An increase of 3% is included for Non-Bargaining and Bargaining unit employees. No increase is included for temporary or Per Diem Staff.

Since the East bed licenses are projected to be transferred to Millcreek Manor on 6/30/2015, the need for most PRM East employees will cease at that time. Staff that will continue for seven, eight or nine months in the budget projections include the Administrator (9 months), the Director of Nursing & a Ward Clerk (7 months), a Storeroom Driver (9 months) and the Maintenance staff (8 months).

A comparison of current year and requested FTE's (full time equivalents) is presented in Section V.

Fringes, Insurance & Fixed Charges – These expenses were projected using information available. Actual Worker's Compensation, Health Insurance, Pension and Prescription drug costs may alter these projections significantly, as these are self-pay plans. Wages and benefits account for 76.5% of the total budget. Fringe benefits account for approximately 32% of the total budget and are approximately 73% of salary expense.

- Unemployment Compensation - 2015 Benefits reflect the reduction in staff from consolidation. Unemployment Compensation is anticipated to increase by $930,800 because of the East closing.

- Pension & 457B Plan - Boetger & Associates, PRM's Pension actuary, was contacted for budget information. A recent Pension Plan Relief Act has reduced PRM's 2014 contribution from $2,535,000 to $1,992,000 and projects the 2015 contribution at $2,100,000.

  The Pension is currently governed under ERISA (Employee Retirement Income Security Act) guidelines. In recent years, an opinion from the Quinn firm stated that it is highly likely PRM's Plan would qualify as a Governmental Plan significantly reducing PRM's contribution. Unfortunately, at this time the IRS is not accepting applications for Plan change requests.

  At 1/01/2012, a 457B plan (similar to a 401K) was introduced for some current non-bargaining employees and all new non-bargaining hires. Discussions with the Union continue about changing the plan design regardless whether the plan continues under ERISA or as a Governmental Plan.

Other Operating Expenses – An **"exceptions budget"** format was distributed to departments after initial preparation by the CFO. Department Heads had an opportunity to justify accounts that should be changed from this format. Management reviewed each Department's budget for appropriateness, accuracy and whether the requests were in keeping with past years' experience, census impact and consolidation. Inflationary indices available through Amerinet were also considered.

Accompanying Notes – Section V

The County format of the Operating Revenue and Expense Budget is presented in Section V of this package. **The notes included in Section V are a significant part of the budget presentation.**

Capital Budget – Section VII

PRM's Capital Budget is presented for your review in Section VII.

County Fund Transfer – Section VIII

Since 1/01/96, the Federal draw-down programs, i.e., IGT, CPE, MDOI, have covered the mandated MA County Match and invoicing amounts. PACAH (Pennsylvania Association of County Affiliated Homes) has confirmed that this funding is met through the year 2015. The regulatory County Share is approximately 4.5% of net MA revenues and if mandated, would be approximately $982,300 in County dollars for 2015.

As a reminder, Erie County continues to have an obligation to fund any shortfall in revenues to cover expenses. Even with the established Line of Credit, Pleasant Ridge Manor may rely on County support to ease temporary cash flow pressures. A history of the County Contribution is included in Section VIII.

NOTES: Room & Board Revenues

The budget assumes the East consolidation will impact operations in 2015.The budget assumes the number of beds will decrease from 388 to 300 on 6-30-2014.

The budget census projects an average of 315 residents per day or 91.8% occupancy for the year. Included in this is a projection of 290 residents per day or 96.6% occupancy after consolidation on 6-30-14. Any variation to the occupancy may alter these projections significantly.

MA Rates: A 1.7% increase is slotted for 7-01-2014 and a 1.0% increase is included for 7-01-2015. The projection includes MDOI, Assessment & P4P (Pay for Performance) payments.

Medicare Revenues: PRM's Medicare R & B percentage is 4.2%. Reimbursement is based on RUG (Resource Utilization Groups) categories; therefore, no increase in 2015 is anticipated.

Interest & Other

Sale of Bed Licenses: Nothing has been included due to any amounts received would be transferred to the county to repay monies advanced.

NOTE: Wages: Based on a propsed 3% increase, Bargaining employees will receive a $.53 per hour increase. The current contract expires on 12-31-2014. A 3.0% increase is included for Non-Bargaining employees at January 1st, 2015.

101.0 Nursing Wages

With the addition of Electronic Medical Records (EMR), support staff is included. An Overtime Adjustment factor has been included. However, that factor will be affecte by the consolidation of the workforce resulting in a regualr hourly payment instead of at OT at 1.5 or 2.0.

230.6 Agency Nursing

Utilization is dependent upon staff absences and the availability of replacement employees to cover medical leaves and other absences. With the workforce consolidatio a pool of displaced employees will be used to help cover these instances.

122 Hospitalization

The annualized amount for Highmark costs at July 1st, 2014 is $5,000,000. PRM has experienced a large increase in this self-paid plan. The 2015 amount was projected using a 16% increase over the current year budget and then reduced due to the workforce consolidation.

123 Unemployment

Unemployment is self-funded through the PA Unemployment Comp Fund. A projected reduction of approximately 100 positions due to the consolidation of the facilities has greatly impacted this line item and could be affected by employee retirements, dislocated employees securing other employment, etc.

124 Pension

Boetger & Associates supplied the Pension budget amount. The amount budgeted has been reduced from original projections due to the Pension Relief Act of 2014. Costs associated with the Non-bargaining 457B Plan are also included.

125 Workers Compensation

Difficult to project due to a smaller number of employees after consolidation, but also an increased risk prior to consolidation.

127 Other Employee Benefits

Reflects the workforce reduction due to consolidation.
