

**US 19 Land Use And Transportation Study
Public Meeting Survey
March 10, 2004**

Erie County Department of Planning along with Summit Township, Waterford Borough, Waterford Township, and the Pennsylvania Department of Transportation (PENNDOT) are developing a transportation and land use plan for the US 19 study area.

Your input is the crucial part of this study. Without your views, we can not accurately inform Erie County and other decision-making groups what course of action that citizens believe need to be taken. The survey only takes 5 minutes. Please return your responses in the box provided. Thank you!

1. Where do you live?

- a. Resident of Summit Township
- b. Resident of Waterford Borough
- c. Resident of Waterford Township
- d. None of the above, but a resident of Erie County
- e. Study area landowner that lives outside Erie County

2. In your opinion, which of the following best describes the area's growth and development over the past 10 years?

- a. Very slow
- b. Somewhat slow
- c. Average
- d. Somewhat fast
- e. Very fast
- f. Other _____

3. Which of the following best describes the change you expect in the study area's population over the next 10 years?

- a. Decrease greatly
- b. Decrease somewhat
- c. Remain about the same
- d. Increase somewhat
- e. Increase dramatically
- f. Other _____

4. What types of development would you like to see occur in the US 19 Corridor area?

- a. Commercial retail (i.e. shopping, restaurants)
- b. Office
- c. Industrial (i.e. manufacturing)
- d. Warehousing distribution
- e. Residential
- f. High tech (i.e. research and development)
- g. None, no development desired.

5. What types of development do you think will occur?

- a. Commercial retail (i.e. shopping, restaurants)
- b. Office
- c. Industrial (i.e. manufacturing)
- d. Warehousing distribution
- e. Residential
- f. High tech (i.e. research and development)
- g. None, no development

6. How would you describe study area roadways in terms of traffic congestion?

- a. No delays
- b. Minor delays
- c. Delays during rush hours
- d. Delays at all hours of the day

7. List any specific locations in the study area where traffic congestion is currently a problem or may be a problem in the future.

8. How would you describe study area roadways in terms of safety?

- a. Safe
- b. Minor Safety issues
- c. Safety issues during rush hour
- d. Safety issues at all hours of the day

9. List any specific locations in the study area where safety is currently a problem or may be a problem in the future.

10. Please check off the following issues as high, medium or low importance to you in the US 19 Study Area.

Issue	High	Medium	Low
Traffic congestion relief			
Improving roadway safety			
Improving transit service			
Accommodating bicyclists and pedestrians			
Maintaining agricultural and open space			
Creating more residential development			
Developing a town center			
Maintaining quality of life and rural character of area			
Attracting new businesses			
Developing recreational and cultural activities			

11. Please list any other comments or suggestions you may have concerning the US 19 study area. Use the back of this sheet if necessary.
