2015 Retirement Fact Sheet for Eligible Employees

Employee can retire if he meets one of the following:

- 55 years of age and has 20 years of service
- 60 years of age and any years of service

Steps to take:

Contact your supervisor: Present to your supervisor a letter stating your retirement date. Your retirement date is the last day you will work – you must work on your last day with Erie County. See Employee Handbook – General information, Resignation/Retirement.

Contact Human Resources: Call the Employee Resource Manager at 451-7418. Human Resources staff will let you know if you are medical benefit eligible.

Contact BAI: Call Tonya Crosby at Benefit Administrators Inc. to learn how to enroll in your after retirement medical benefits if you qualify. 454-0167

Contact Northwest Retirement Services: Speak to Katie Gunter at 455-4550 to set up your pension payments and have pension options explained.

Life and Long-Term-Disability coverage, if applicable, terminate immediately upon termination of County employment.

Current insurance plan coverage for Hospital/Medical, Prescription Drug, Dental, and Vision terminate at the end of the month a person leaves County employment. If employee terminates before the last pay period, the employee may owe the county a benefit payment. Personnel will contact such employees.

Retiree insurance, if applicable, will begin on the first of the month following retirement.

A retiree is eligible to carry the same coverage (single and/or dependent) as when an active employee just prior to retirement. Dependent children and/or spouse must have been on plan prior to retirement. New dependents cannot be added to coverage after retirement. (Dependent children eligibility: to age 26; or be physically or mentally disabled and unable to be self-supporting, regardless of age)

Medical benefits must be taken at the time of retirement or the benefit is forfeited.

Hospitalization/Drug Coverage

If the retiring employee is eligible to carry county hospitalization/drug benefits into retirement, the following applies:
