

Erie County Gaming Revenue Authority presents

Start, Grow, & Prosper i n i t i a t i v e

Micro-loan programs
for businesses

Dealers

The Gannon University Small Business Development Center along with the Erie County Gaming Revenue Authority and the Erie County Economic Development Corporation are partnering to help Erie County businesses start, grow and prosper with a new economic development opportunity.

Players

"Start, Grow & Prosper Initiative" offers business development services which proactively targets all of Erie County including *minority* and *women start-ups*, *poverty urban areas*, *cottage industries* and *non-profits*.

Funding

Through the Erie County Economic Development Corporation, the Erie County Gaming Revenue Authority has created a micro-loan program for businesses that are "Application Ready" for financing. Loans cap at **\$25,000**.

Trifecta

The Gannon University SBDC will work to support small businesses:

- improve business opportunities to accelerate growth from the ground level
- strategically plan for the community and organizational growth
- secure financing for start-up enterprises and expanding businesses

Get "Application Ready"

Start, Grow, & Prosper i n i t i a t i v e

Build your business plan
Get "Application Ready"
Implement your loan for future growth

The Gannon University SBDC will focus on facilitating the micro-loan programs and other strategic financing options to help entrepreneurs get "Application Ready".
