Erie County To Light the Courthouse Pink for a Purpose

Erie, PA – In honor of Breast Cancer Awareness Month, County Executive Kathy Dahlkemper is shedding a spotlight on prevention and early detection by lighting the Erie County Courthouse pink on Thursday, October 1 at 7:30 PM.

The Pennsylvania Breast Cancer Coalition estimates that 12,000 women in Pennsylvania will be diagnosed with breast cancer this year. Approximately 1 in 8 women born in the United States today will develop breast cancer. The good news is that many women can survive breast cancer if it is found and treated early.

Join the County Executive and local advocates on the steps of the Erie County Courthouse for the special lighting ceremony Thursday evening to support those battling breast cancer and honor those we have lost.
