n/a = Not available

<sup>^</sup>Reported cases with CDC-defined case classification status

<sup>^^</sup>Reported cases with PA DOH-defined case classification status

Only residents of Erie County are included in the Erie County case counts with the exception of influenza which may include college students whose permanent residence is outside of Erie County

Case counts for the United States do not include dependent areas with the exception of HIV and AIDS

\*HIV (non-AIDS) includes only persons with HIV infection that has not progressed to AIDS

\*\*% = (Age <6 and blood lead levels ≥ 15µg/Number of children <6 tested) \*100

Rate per 100,000 population; Previous year population used for Erie County calculations; Current year population used for PA calculations; Previous year population used for U.S. calculations
