

GERMS ARE EVERYWHERE!

THEY'RE ON THE WALLS
AND IN THE HALLS;

THEY'RE ON THE FLOOR
AND ON THE DOOR;

THEY'RE ON THE CHAIRS
AND ON THE STAIRS;

THEY'RE ON THE TOILET SEATS
THEY'RE ON YOUR TWO FEET;

THEY'RE IN THE SAND
AND ON YOUR HANDS.

BUT DON'T BE SCARED,
GERMS CAN BE BEAT.

IF YOU KEEP YOUR HANDS
CLEAN AND NEAT!
