SUBJECT: Manufactured Home Park Maps

PURPOSE: To provide guidance on the items required to be identified on maps of manufactured home parks submitted to the Department

REFERENCES: Erie County Dept. of Health Manufactured Home Park Ordinance 109, 2010 adopted October 20, 2010

POLICY:

Current manufactured home park property maps must be provided to the Department. As a minimum, the map must include the location of the following, if applicable:

- Delineation of spaces
- Water supply source
- Water treatment and storage facilities
- Septic tanks and on-lot leach fields
- Sewage treatment plant
- Lift/pump stations
- Laundry facilities-if on-lot septic
- Garbage dumpsters
- Public swimming pools

All spaces must be numbered. Map must include a key identifying the above items.

Section 4.1 of the Manufactured Home Park Ordinance requires that when a park is constructed, remodeled or expanded, properly prepared plans and specifications shall be submitted to the Department for review and approval before any work is begun.

This Policy, its additions, and/or revisions are approved as written:
