County Executive to Attend School Funding Demonstration

Erie, PA – Erie County Executive Kathy Dahlkemper will be in attendance at a rally for fair school funding in Harrisburg on Tuesday, June 7, 2016. Traveling by bus from Erie, a group comprised of students, teachers, elected officials, and community members will convene at the state capitol building to *Rally in the Rotunda* at 2 PM.

“We cannot let leadership in Harrisburg continue to overlook the funding crisis that is on the verge of ending public education as we know it in the City of Erie,” said Dahlkemper. “Erie’s children are our future, and we have a responsibility to provide them with access to quality education.”

Citing the consequences of closing schools, Dahlkemper added, “This is not an issue insular to the City of Erie – the impact of shutting down high schools affects all of Erie County. This is a pivotal moment in the fight for fair public education funding, and who we are as a commonwealth hangs in the balance.”

Dahlkemper will be joined by State Senator Sean Wiley, Rep. Flo Fabrizio, Rep. Pat Harkins, Rep. Ryan Bizzarro, and Erie Schools Superintendent Jay Badams.
