

# Erie County Human Relations Commission

Notes – September 22, 2015

## Attendance

Commissioners: George Morgan, Bob Howden, Adam Williams, Amy Danzer  
Staff: Charlotte Scalise

There was no quorum.

## Approval of Minutes

Minutes could not be approved without quorum.

## Directors Report

The director was not in attendance.

## Old Business

Many expos and fairs were held this last month.

The commissioners asked that discussions be held with those commissioners who consistently have not attended meetings that if they are not able to continue to serve, they step aside so that commissioners may be appointed who will be able to attend the meetings. Letters have been prepared by George and Joe to be sent to Advisory Board members about their attendance as well. Letters may be sent to commissioners rather than conversations.

## New Business

The staff was urged to set up the meeting with the FHRC at their convenience. They were then asked to inform the commissioners as to when it is so that if any commissioners can attend, they may do so.
