Approval of Minutes

As there was no quorum, minutes of the April 25 meeting could not be approved and the notes of the May 23 notes could not be reviewed.

Directors Report

The director was not in attendance.

Old Business

New Business

The Commission members reviewed the grant application for CDBG funds for fair housing public service announcements/commercials and proposals from the local TV stations to air the commercials. Suggestions for punctuation changes to the grant application were made. Evaluation of the proposals from the TV stations noted that the proposal from JET 24/Fox 66 provided many more airings than the proposal from WICU 12/WSEE 35/CW provided (which was also over budget). The grant must be submitted by Thursday, June 30.
