TO CALL AN INSIDE NETWORK STATION:

Dial the 4-digit extension number within the network: Courthouse, Public Defender, Prison, Community Corrections Center, Health, Public Safety (EMA/E-911/Hazmat), Children's Services, Human Services, Voter Machine Warehouse, Adult Probation MRO, Juvenile Detention Center, Dependent Shelter, Drug and Alcohol, Library, Library Branches, Planning, Juvenile Probation Community Justice Center (see network diagram inside front cover.)

OUTGOING CALLS (LOCAL): - Listen for dial tone

- Dial the digit "9"
- Listen for the second dial tone
- Dial the local seven-digit number

LONG DISTANCE CALLING:

All long distance calls need your assigned long-distance code. Dial 9 – 1 – area code – seven-digit-number – long distance code. On long distance calls, do not let it ring more than six (6) times. After the sixth ring, the system will charge you whether you were connected or not.

PAGING: at Courthouse

- Dial the digits "**51 9**" Courthouse all floors (wait at least 5 seconds before speaking)

"51 3" Courthouse 3rd floor only (wait 5 seconds before speaking)

"51 4" Courthouse 4th floor only (wait 5 seconds before speaking)

at Children's Services

- Dial the digits "500"

at Health Department

- Dial the digits "50"

At the Court House, after the tone, pause for at least 10 seconds, then speak directly into the telephone receiver. Hang up gently.

++ If you hear a busy signal, hang up and try again.

If the telephone is not working properly, notify Kara Lang, Operations, ext. 6328 (451-6328) or klang@eriecountypa.gov. Arrangements for repairs will be made.

TELEPHONE CHANGES/ADDITIONS/DELETIONS:

1-800-352-0026 (can be transferred to other buildings within the “network.” You may want to consider placing this number on your letterhead for calling within 814 area codes with your extension listed after it.)

DIAL-UP INTERNET CONNECTIONS must be disconnected immediately after use. Continuous connection ties up the PBX so other employees cannot obtain an outside line. It slows down the entire phone system.

PLEASE do not put phones on HOLD when leaving your desk. Forward your calls to your destination or to another employee until you return if you do not have voicemail. Putting a phone on HOLD ties up the PBX so other employees cannot obtain an outside line.

Attention: County employees on the County’s Telecom Network and Off-Premise Extensions: when moving from one desk/office to another, your phone and extension number move with you, generally. It is a very simple procedure and taking your programmed phone and extension with you **BENEFITS YOU** and keeps the Directory up-to-date.
