Lake Erie Coastal Zone Advisory Committee seeks new members

Erie, PA – The Lake Erie Coastal Zone Advisory Committee is soliciting nominations from interested individuals and groups for possible membership for a three-year term from 2020-2023.

The committee advises Pennsylvania's Coastal Resources Management Program and meets no less than two times per year. The committee is seeking one representative from each of the following four types of organizations: civic, economic development, recreation/sportsman, and environmental.

Interested individuals will be asked to submit a short nominee questionnaire no later than Jan. 30, 2020.

Nominees will be required to fill out a questionnaire for the nominating committee to review and determine recommendations to be passed on to the Lake Erie Coastal Zone Advisory Committee for approval. If a nominee becomes a member of the advisory committee, he or she will be required to attend the first meeting of the year in June 2020.

Individuals or organizations interested in nominating a representative should contact Joy Knapp at the Erie County Department of Planning at jknapp@eriecountypa.gov or 814-451-7332.
